

Media

Staying at the cutting edge

The 21st century will undoubtedly witness significant change and growth in the media, entertainment and communications sector, and the informed management of risk could mean the difference between success and failure.

Our style

HSBC Insurance Brokers experience within this sector is wide ranging and covers a number of areas. Our specialists are constantly evaluating the most cost-efficient, and comprehensive risk transfer products available. We have a range of solutions to provide the appropriate level of protection for our clients, knowing that they experience exposures in such areas as:

- Professional Indemnity
- Libel and Slander
- Advertising agents' Indemnity
- Contingency exposures
- Events
- Production Insurance

Peace of mind

Being a significant part of one of the largest and most successful financial services groups in the world brings security, stability and integrity to our client relationships. We believe that this explains why we have one of the best client retention rates in the insurance broking market – something of which we are very proud.

Our aim

We will always endeavour to provide you with a team of people that matches your business needs and style. Our service offering is truly global in nature and is always coupled with our desire to become our clients' preferred and trusted partner in the management of risk.

Individuality

Media, entertainment and communication companies constantly face new challenges to established operational models. The changes within the industry call for flexibility of approach and a holistic risk thought process. We offer the scope of knowledge and unconventional thinking that consistently adds value to our clients' businesses and is not seen simply as another business expense.

We work closely with individual clients to understand the specific risks they face and provide appropriate options for handling them. We are able to leverage highly competitive premium rates based on our market relationships and credibility.
