Full details are contained in the policy documents and schedule, a copy of which is available on request.

Policy Voidable – Duty of Disclosure

You have a duty under the policy to disclose all material facts. Material facts are those facts which are likely to influence us in the acceptance or assessment of your insurance and it is essential that you disclose them. This duty of disclosure applies at inception of the policy, during the period of insurance and at renewal. If you are in any doubt whether a fact is material, you should disclose it to us, since failure to do so could invalidate your policy, or result in a claim being repudiated. You should also consult HSBC Insurance Brokers, for guidance about your duty of disclosure.

Change in Circumstances

Your policy has been based on information you have provided. You must notify us as soon as possible of any change which may affect this insurance. In particular you should notify us:

- of any alteration in the ownership of your business or the nature of your business activities or working practices, or the goods manufactured stored or supplied or if you propose to work outside the UK
- of any alteration in the level of security protections at your premises or the failure of your intruder alarm or a reduction in level of Police response to your intruder alarm

- of any prosecutions under Health and Safety, Welfare or Environmental Protection legislation.

We will then advise you if policy cover will still be applicable or of any change to the terms or conditions applying to your policy.

If you fail to notify us of any changes, your policy may not operate or not operate fully. If you are in any doubt about whether any change should be advised to us, please consult HSBC Insurance Brokers.

Adequacy of Sums Insured – Underinsurance

You must at all time keep the Sums Insured at a level which represents the full replacement value of the property insured or the earnings of the business. If you fail to do so your policy may not operate fully.

Should you have any doubt about your sums insured, please consult HSBC Insurance Brokers.

Specific Exclusions and Conditions

You are strongly advised to retain copies of Employers Liability Certificates that have expired for as long as reasonably practicable. This is because certain claims e.g. industrial disease, could be made many years after the disease is caused.

You agreed when you applied for the policy that your directors, officers, partners, and employees have consented to our using their details in this way.

We may need to collect data relating to Insured Persons, which under the Data Protection Act is defined as sensitive (such as medical history of Insured Persons) for the purpose of evaluating the risk or administering claims which may occur. You must ensure that you have explicit verbal or written consent from the Insured Persons to such information being processed by us and that this fact is made known to the Insured Persons.
